Outlast® Technology

Outlast® is the original temperature-regulating technology. Outlast® technology balances your temperature through the use of patented Thermocules™ that absorb and store excess heat, releasing it when you need it most.

The main benefits of products with Outlast® technology:

- Balances temperature
- Adapts to your thermal needs
- Reduces overheating
- Less perspiration
- Less chill
- Not too hot, not too cold®

Registered trademark of the Space Foundation, an initiative of the aerospace industry and NASA. Patented Outlast® Phase Change Technology is recognized by NASA as Certified Space Technology.
